We are committed to making the Auberge a warm and welcoming place, where every detail is designed to make you feel at home. Whether you're here for a family meal, a gathering with friends, or a more intimate moment, we do everything we can to offer you a unique experience—one that combines generosity and flavor.

The water

To reduce our carbon footprint, we've chosen a simple solution: stopping the import of San Pellegrino bottled water from Italy—a process that requires energy-intensive and environmentally unfriendly transportation.

Beyond its environmental impact, this system also represents a significant cost for our restaurant.

We've therefore opted for a local and sustainable alternative. The water we serve is micro-filtered, treated, and carbonated directly on-site. This service (not the water itself) is offered at the following rates: CHF 3.- for 3.5dl, CHF 4.- for 0.5 litre, and CHF 7.- for 1 litre.

Le label Fait Maison

With the exception of our French fries, all the dishes on our menu are **HOMEMADE**. They are fully prepared using traditional, raw ingredients, in accordance with the criteria of the "Fait Maison" (Homemade) label, established by the Fédération romande des consommateurs (FRC), GastroSuisse, the Week of Taste, and Slow Food.
